Dear Teacher Applicant:

Thank you for your request for information regarding our Teacher Training Program. We are pleased to forward you the information. Please find the attached information for your review. Once we have received your application and relevant documentation as outlined in the Teacher Criteria document, it will be reviewed to ensure that it is complete and you will be notified if there are any outstanding items. If you do not meet all the requirements, we encourage you to submit the documentation that you do have so that we can make recommendations for accommodation of your application.

Please note that existing teaching experience in reflexology with other recognized or Post Secondary schools will be considered strongly and applicants may be considered for another category. Also considered will be membership in other reflexology organizations in place of or other than RAC.

Attached you will also find a Teachers Applicant of Agreement which will need to be completed and signed prior to the commencement of the process. This letter is for your benefit and for that of RAC's in that it clearly outlines what you can expect from RAC, the process, and RAC's expectations of you in the process. This allows for you to be fully informed and for the process to be fully transparent, something that is a commitment of RAC's to all its members. If you have any questions at all please feel free to send your questions to the email address below.

I look forward to receiving your application and to assisting you through the process. Becoming a Teacher for RAC is a wonderful professional and business step to bringing Reflexology Education to communities across Canada and we look forward to the possibility of you joining us a Certified RAC Instructor.

Sincerely,

Chris Wasyluk
